Secondary Transfer

Receive a pack about making your choice of school.

We liaise most closely with Mountbatten, but do meet/share information with representatives from other schools

Transfer/taster days towards the end of Summer Term

Other opportunities visiting secondary schools throughout the year

SATs

Week beginning: 11th May 2020

Initial SATs meeting before Autumn term
parents' evening

Revision programme – 6 weeks → meeting
prior to this in January

Home Learning expectations

- Home expectation: regular reading (diaries), practising tables/number facts along with additional set home learning
- Published on the blog
- Maths is online sometimes – see make my child a maths star- and half termly KIRF sheets
- English could be based on spelling, grammar, research to support learning or practising skills learnt. Also reading homework will sometimes include Read Theory – online comprehension-based tasks
- Don't agonise over it, please speak to us about difficulties
- E safety – Check our school website (new page)
- Home learning book- to be signed by parents once finished (checking quality and effort)

How you can help us

- Home learning – check reading diaries have been completed and signed at least 5 times a week.
- Use of school website
 - <http://www.halterworth.hants.sch.uk/school-information/curriculum/>
 - Make my child a maths star
 - Mental maths, including use of KIRFs
 - Reading guidance
 - Writing guidance
 - Grammar overview
